

CODETANTRA COMPLETION ESSENTIALS OF DATA SCIENCE LABORATORY

Name: Dhruvi Raju Nanotkar

Division: CS3

Batch: CS33

PRN : 202401040359

Roll No. : CS3-59

Branch: Computer Science

Lab Completion

The screenshot displays the CODETANTRA course completion interface. At the top, the header includes the CODETANTRA logo, a Home link, the user's email (202401040359@mitaoe.ac.in), a Support link, and a Logout button. The main title of the course is 'Essentials of Data Science Laboratory - 2304102L - 2304102L'. Below this, a navigation bar shows 'Dashboard', 'Contents' (highlighted), 'Calendar', 'Assessments', and 'Syllabus'. The 'Contents' section on the left lists five practicals, each with a dropdown arrow. The main content area features a 'Course progress' gauge showing 100% completion, with '0 units left' and a 'Completed' status. A 'Resume' button is present. Below the progress gauge, there are three sections for 'Practical 1', 'Practical 2', and 'Practical 3', each showing 'Unit - 100% completed' with a progress bar and a right arrow. A section titled 'Histogram of passenger information of Titanic' is also visible, labeled as 'Practical 5 - Lab Assignment'.
